**Fuel Efficiency**

WLTP: Power consumption: 2.7 mi/kWh / 23.40 kWh/100km. Electric range 313 mi / 503 km. CO2 emissions 0 g/km. [1]

The fuel efficiency label and VED banding shown is based on the current UK classification for new vehicle registrations (effective April 2020). For emission data, labelling and guidelines relating to your local market please contact your nearest sales outlet or from the relevant government authority in your region.

Further information on official energy and fuel consumption and the official specific CO2 emissions of new passenger cars can be found in the "Guide to Fuel Consumption, CO2 Emissions and Electricity Consumption of New Passenger Cars", which is available at all outlets free of charge and at <http://carfueldata.direct.gov.uk/> in the United Kingdom, <http://www.dat.de/angebote/verlagsprodukte/leitfaden-kraftstoffverbrauch.html> in Germany or your local government authority.
